We have so much planned for March. This monthly program include both new and traditional activities, perhaps most notably the famous Doll Festival (ひな祭り) on the 2nd.

We will also spend a lot of time outside now that spring is on its way. Our Physical Education (P.E) program has been a real success so far and we expect to enjoy these outdoor activities even more with rising temperatures!

The last week of the month will be a busy one. The kids are already talking about going to the cinema to see Doraemon on the 27th. The field trip to Showa Memorial Park on the 30th is also something to look forward to. We hope that this year' s field trip will be just as successful as last year' s trip to Tama Zoo.
